THE BALDWIN HIGHLIGHT · FROM THE PRINCIPAL’S DESK

A Term of Achievement, Exploration & Growth

Dear Parents, Students and Members of the Baldwin Family,

The first half of the academic session 2026–27 has been filled with achievement, discovery, participation and moments of pride at Baldwin Farm Area High School.

The session began with a warm welcome to our students and newcomers, setting the tone for a year filled with fresh opportunities and new aspirations. From academic achievements in the CBSE Board examinations to hands-on experiences in technology, STEM, career exploration and creative activities, our students have continued to learn beyond the boundaries of the classroom.

This term also brought opportunities for students to develop leadership and civic awareness. Through the Student Parliament, students experienced the importance of participation, communication, responsibility and democratic values. The Investiture Ceremony further marked the beginning of a new chapter for our young leaders.

Our students also represented Baldwin through sports and competitive platforms, earning recognition in karate, science quizzes and other activities. At the same time, literary, artistic, musical and cultural experiences encouraged students to express themselves with confidence.

The term was equally enriched by meaningful community moments — from Mother’s Day and Teachers’ Day to parenting workshops, career counselling and celebrations that brought students, parents and teachers closer together.

At Baldwin FAH, education is about preparing students not only for examinations, but also for the opportunities, responsibilities and challenges that lie beyond school.

Warm Regards,
Dr. Subhosree Sarkar
